

## Art Grade 7

State Standards	Critical Outcome	Assessment
-----------------	------------------	------------

The Junior High teachers have compiled Art Curriculum Notebooks, which contain suggested learning activities and resources. They can be found in the classrooms.

<p><b><i>Artistic Interpretation Standard:</i></b> The student will understand and use artistic processes to analyze and interpret a variety of works in at least two of the three arts areas required to be offered by a school from the following: dance, music, theater, and visual arts.</p> <p><b><i>Artistic Creativity and Performance Standard:</i></b> The student will understand and use artistic processes to create and perform in at least two of the three arts areas required to be offered by a school from the following: dance, music, theater, and visual arts.</p>	1. Identify and implement the seven elements of design: line, shape, space, color, value, texture, and form.	Unit test (scoring guide) and checklists for all products
	2. Use contour line and gradation to create the illusion of volume and depth in a two-dimensional drawing.	Contour/value drawing (rubric)
	3. Demonstrate the ability to mix three secondary and six tertiary colors using only primary colors.	Watercolor wheel (scoring guide)
	4. Demonstrate safe and respectful studio conduct.	Observation of students as they complete projects
