Mission Statement

As a caring, diverse community with a tradition of putting its children first, we will ensure all students attain their highest level of achievement; prepare all students to contribute to society; offer high quality opportunities for lifelong learning; provide multiple pathways to excellence; challenge all learners to meet high standards; and provide a safe and nurturing environment that energizes and enhances the spirit.

Core Values

We believe that...

- Everyone has equal intrinsic worth.
- We will enhance the healthy development of each learner by engaging and supporting families and communities.
- High expectations challenge everyone to higher levels of achievement.
- Through persistent effort in an equitable environment, everyone can achieve maximum performance.
- Lifelong learning is essential to the individual's quality of life and the vitality of the community.
- Everyone has the capacity and responsibility to contribute to the well being of others.
- Respect of self and others is fundamental for a strong, healthy community.
- High quality education creates opportunities throughout an individual's life.
- Embracing individual differences enriches a community.
- Hopes and dreams inspire and motivate people to invest in themselves and their community.
