ERA and CBMR	Early Reading Assessment and Curriculum-based measures of Reading are screening tests for reading fluency (in English and Spanish), designed and developed by the University of Minnesota. Tests are administered in the fall, winter, and spring.
MAP	Measures of Academic Progress from North West Evaluation Association (NWEA) are adaptive tests administered up to 3 times a year in the fall, winter, and spring, in reading and math.
MCA	Minnesota Comprehensive Assessments are a federal requirement for all districts receiving Title I funds: <ul style="list-style-type: none"> • MCA III Reading (grades 3-8 and 10) - aligned to 2010 academic standards • MATH (grades 3-8 and 11) - aligned to 2007 academic standards • Science (grades 5, 8, and high school students who have completed life science/biology courses)
MTAS	Minnesota Test of Academic Skills is an alternate assessment for MCA for students with the most significant cognitive disabilities.
ACCESS	Assessing Comprehension and Communication in English State-to-State is a federal requirement for English Learner students. The test was developed by the World-Class Instructional Design and Assessment (WIDA), a consortium of 25 states.
ACT	American College Testing to meet the MN state requirement of a career and college readiness test.
