# SLP Schools and VectorSolutions Training Instructions

VectorSolutions Training Modules are active for the new school year. Trainings are <u>required</u> every year and include such courses as: Blood Borne Pathogen Exposure Prevention, Bullying: Recognition & Response, Sexual Harassment: Staff-to-Staff, and some additional information regarding SLP's Internet Policy.

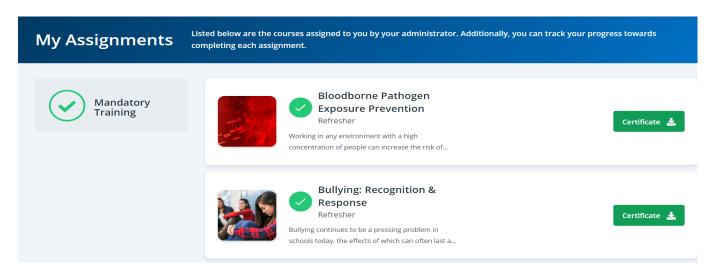

1.) Navigate to https://slpschools-mn.safeschools.com/login
    - VectorSolutions Training Modules are supported best by using Google Chrome web browser

2.) Username: (full school email) lastname.firstname@slpschools.org
    - No password is needed for entering site

3.) You will be directed to the home page displaying your unique, <u>mandatory</u> trainings including due dates and downloadable Certificates for completing courses.

4.) Please complete your required trainings by the due date. VectorSolutions will send reminder emails to complete open trainings. Thank you!
